

Data Privacy Policy

DPDP Act 2023 — GDPR — CCPA Compliance

Issued by: Aneeras LLP (hereinafter Aneeras or Company). Tripknot is a travel discovery mobile application (the Platform or the App) developed, owned, and operated by Aneeras. All legal obligations, liabilities, and rights described in these documents are those of Aneeras in its capacity as the developer and operator of the Tripknot Platform.

India's Digital Personal Data Protection Act, 2023 (DPDP Act) is the primary applicable law for Tripknot's Indian user base. Aneeras acts as the Data Fiduciary under this law.

1. OVERVIEW

This Data Privacy Policy supplements the Privacy Policy and provides detail on how Aneeras LLP, as the operator of the Tripknot Platform, complies with India's Digital Personal Data Protection Act, 2023 (DPDP Act), the General Data Protection Regulation (GDPR), and the California Consumer Privacy Act (CCPA). As Tripknot is a free platform for end users, Aneeras does not process user payment data.

Phase 1 Note: A Grievance Officer will be formally designated by Aneeras and publicly named prior to Tripknot's public launch, as required under the DPDP Act and IT (Intermediary Guidelines) Rules, 2021. In the interim, all grievances should be directed to legal@aneeras.com and will be addressed within 15 working days.

2. INDIA — DPDP ACT, 2023

2.1 Data Fiduciary Declaration

Aneeras LLP, as the developer and operator of the Tripknot Platform, acts as the Data Fiduciary under the DPDP Act, 2023, and is responsible for the processing of personal data of individuals (Data Principals) who use Tripknot within India.

2.2 Consent

Aneeras obtains free, specific, informed, unconditional, and unambiguous consent from Data Principals before processing their personal data, through a clear plain-language notice presented in the Tripknot app at registration or first use. You may withdraw consent at any time by contacting legal@aneeras.com.

2.3 Rights of Data Principals

- Right to Information: Obtain information about personal data processed by Aneeras via Tripknot
